

A series of 15 rows of a grid-based pattern, likely a knitting chart. The grid consists of 15 columns and 15 rows. The pattern is composed of the following symbols: 'X', 'Y', 'O', and 'K'. The symbols are arranged in a repeating sequence across the rows, with some rows containing more complex symbols like 'X-Y' or 'Y-O'. The pattern is designed to be read from right to left, with the first row being the starting row and the last row being the ending row. The symbols are placed in the intersections of the grid lines.
